120th Year in
Gospel Ministry

Watch ye therefore And pray always

My loving greetings in the sweet name of Lord Jesus Christ to all the children of IMS family.

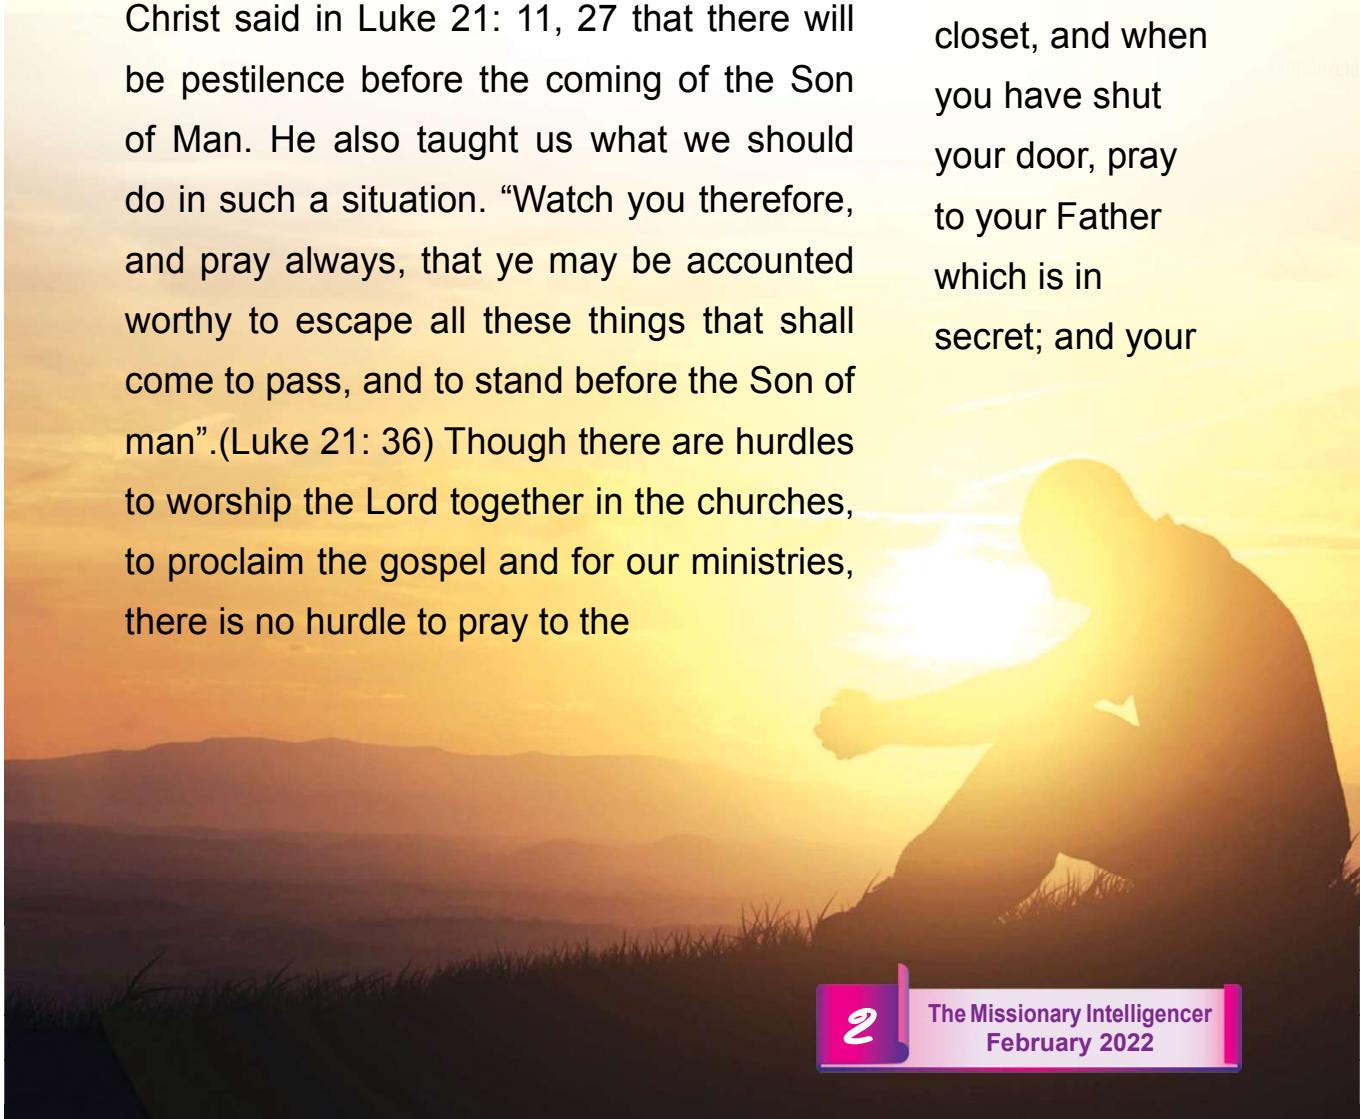

We have entered happily into year 2022 but various fears and hurdles have surrounded us. Looking at them we need not fear, worry or discouraged. Remembering that all these things are the Scriptures being fulfilled, sign of the second coming of the Lord, we should overcome these fears in spiritual level. Jesus Christ said in Luke 21: 11, 27 that there will be pestilence before the coming of the Son of Man. He also taught us what we should do in such a situation. "Watch you therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man".(Luke 21: 36) Though there are hurdles to worship the Lord together in the churches, to proclaim the gospel and for our ministries, there is no hurdle to pray to the

Letter from the General Secretary

Lord individually.

In the Sermon on the Mountain Jesus Christ says, "But thou, when you pray, enter into your closet, and when you have shut your door, pray to your Father which is in secret; and your

Father who sees in secret shall reward thee openly".(Matt. 6: 6) Let us we, who are unable to go to the church and pray, stay inside our houses and pray for us, for the multitudes who do not know the Lord, be vigilant and pray always. Let us make the following three pieces of advice given in the Word of God our experience.

Understand and pray

When Solomon completed building the Temple, God appeared to him in a vision in the night and said, "And the LORD appeared to Solomon by night, and said unto him, I have heard thy prayer, and have chosen this place to myself for a house of sacrifice.... If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land. (II Chron. 7: 12, 14) As our nation, the entire world is in the grip of pestilence, let us, who are called by His name pray to God for deliverance realizing our sinful state. Let us humble ourselves, leave all the things that are not pleasing to the Lord with His strength. Let us turn to the Lord, seek His face, and pray, "If my sin is the reason for this state of my nation, forgive Lord". Shall we commit ourselves to the Lord and pray thus?

Pray earnestly

When Peter was put in the prison, the church was praying earnestly for him. (Acts 12: 5) God sent His angel to break his chains and brought him out of the prison. Dearly beloved! In our nation, multitudes are in chains of superstitions and rule of darkness. Commit yourselves and pray earnestly, being delivered from bondage, they come to the true light Jesus, the Lord, and lead a joyful life of freedom.

Pray with fasting

When the Jews were about to be destroyed Esther told Mordecai, “Go, gather together all the Jews that are present in Shushan, and fast ye for me, and neither eat nor drink three days, night or day: I also and my maidens will fast likewise; and so will I go in unto the king, which is not according to the law: and if I perish, I perish” (Esther 4: 16) The fasting prayer of Esther and her maidens protected the Jews and the situation changed entirely. (Esther 8: 15) Shushan that was perplexed now rejoiced and was glad. Dear children of God, let us fast and pray that countless people who are on their way to destruction be saved and get life eternal.

Our Lord who hears our prayers, will certainly answer our prayers with understanding, earnest prayers and fasting prayer. In these days of Lockdown, let us increase our time of prayer. Our prayers will turn all the situations upside down, protect us and people of our nation and help all of us to inherit the Kingdom of God. No doubt about it. Let us pray.

My thanks to the Pastorate chairmen of Athisayapuram Pastorate, and Avaraikulam and the church members for participating in IMS Sale held on 26th December in Athisayapuram and Family Meet in Avaraikulam on 29th December. God gave me grace to visit Anaikarai mission field with IMS Trust members and office bearers. Due to the present day situation, mission field visits are postponed. Let us pray that God changes all hard situations, protect His people and all lead a quiet life. May God protect us all and bless us. Continue to pray for IMS ministries, evangelists, and office bearers. My loving request that you pray for all our needs.

Emergency Prayer Point

Gondu Adivasi people group lives in the village Campes of Royaguda mission field, Odisha state. There are 16 families accepting the gospel and the Lord amidst opposition. At present in the Harvest festival held here, the believers refused to give money for sacrifice. Therefore, they caught 4 cows of a believer and had sacrificed one cow. Also, they have prevented the church construction here. Pray the opposition in this village Campes and the believers are firm in their faith.

BEING DEAD YET SPEAKS

The village Parpu in Assam state is in Kamarppa mission field. In this village Karbi people group lives and amidst opposition we proclaimed the gospel. Then we met Sis. Priscilla Thirambi. Even before accepting Jesus Christ she was given the name Priscilla. Priscilla became very weak when her first baby was born and her hands and legs became inactive and she was bed ridden. We gave her the gospel and prayed for her. Also, she was brought for the prayer meeting held in the house of the missionary in the village Kamarpa and the believers united prayed for her. By God's grace she was completely healed and she and her husband accepted the Lord and took baptism. They were the only Christians in that village and the villagers opposed them vehemently. They threatened them that they should vacate the village since they have accepted the religion of the Madrassas. But both of them were firm in faith. They were compelled to participate in a pooja done in the village. Though they refused to attend that pooja, they were forced to sit in that pooja. In a week's time after that Sis. Priscilla died. Hearing that our missionaries went there but they were not allowed to pray and not allowing us to bury her, she was burnt. Frightened by their threatening, her husband also backslid. Also, the missionaries were prevented from entering into that village. Pray that God gives open door for the gospel in this village Parpu. Pray God gives strength to the new believers to stand firm in faith.

Mission field - Overview

Maharashtra State

DHANORA MISSION FIELD

New mission fields were started in 5 states to mark the celebration of the coral anniversary of Indian Missionary Society. With Usmanabath, a backward district in this state, we started missionary work on 14 December 1979. Rt. Rev. I. Andrews, Bishop, CNI Kolapur Diocese and Mrs. Andrews participated in the inauguration function. This region is 2000 feet above sea level and many people - hill tribes and people who have not heard of the name Jesus even once are living here. Mr. Jebaraj and Mr. Munshi Dudu

were sent there as first missionaries. Ministry was done in a good manner and in the year 1986, our mission field was changed from Usmanabad to Akkalkuva. The family of Mr. Ebenezer and Mr. Moses Paul a young man were appointed as missionaries. Mr. J. Kalanjiyam, missionary in Rajasthan and Mr. Devadoss, missionary of Gujarat were sent by the then General Secretary Rev. S. Monickam to arrange for a house for them.

When both of them went and enquired, they came to know that another missionary organization was

ministering there. Therefore, our mission field was changed to Pal, in Raver taluk in Thule district. Mr. Kalanjiyam and Mr. Devadoss searched for a house there in Raver. At this time, the missionaries had come from Tirunelveli and therefore, they were brought from the Railway station and were accommodated in a lodge in Nanthuripar and hunting for house was going on in Raver. No one was willing to give their house for the missionaries a horse stable was available and the missionaries were accommodated there. When they were staying there and doing ministry a house was available near the mission centre Pal itself and they changed their residence to that place. In September 1987, mission centre was changed from Pal to Kingavan. Again in January 1988 IMS mission field was changed to Dhanora in order to do ministry in many villages

With the family of Bro. Gilbert young man bro. K. Selvaraj were appointed as missionaries'. As house was not available in Dhanora, they stayed in the village Ercaud and did ministry. This village Ercaud is situated in a thick forest. Basic comforts likeroad, transport, electricity were not there and it was an area of naxalites. After a year, they got a house in Dhanora and the missionaries shifted to that place. After that in 1989 Mr. Kalanjiyam was transferred from Rajasthan to Dhanora. In his time, in the year 1994 7.5 acres of land was purchased for Rs. 1, 10,000/- and was changed as IMS Mission field campus. Mr. J. Kalanjiyam built a house with mud and shifted there. There was no electricity. Living with lamp light they preached the people living in darkness of sin about true light Jesus. The first church in Maharashtra state was built in the village Japthalai.

Ministering in Pal mission field, an interesting event took place. While the missionaries were singing in the streets of Susidam colony a person came there and asked them why they were standing there and singing. No one will give alms if one stands in the street and sings. He

also asked them, "Well, you have come by cycle, you have dressed well; why not you work and live. Why do you take alms?" Then our missionaries preached the gospel to him.

Dhanora mission field – today

Great part of the district Katchiroli where Dhanora mission field is situated is of thick forest. Here people groups Gond, Mahar, Urav, Kondi, Halbi, Chathishkari, Bengali live. Marathi, Hindi, Kondi, Halbi, Urav, chathishkari, Bengali languages are spoken here. 1 Tamil missionary family, 6 local missionary families, one Bible woman united do God's ministry now. In the villages Salaipatti, Dhanora, Karuppi, Ranghi, Sathkan, Tharachi, Japthalai, Ercaud in churches and in 30 villages worship groups are started and the first generation believers are worshipping the Lord. In the hostel functioning in Dhanora mission field 90 children are maintained. A Computer centre and a Medical centre with a nurse are functioning here. Also, a Bible training centre functions in our campus. In the Sewing Centre functioning in the village Renghi 18 people are being trained.

Pray for all the ministries done in Dhanora mission field.

SWEET MEMORY

When Indian Missionary Society was started forty years back there was a question if it would be permanent. Can Indians run this organization? What to do? Where to go? We were like the blind, but God holding our hands led us. Rev. Walker said, "If you get missionaries you need not fear." Second year, in a spiritual meeting held in Tuckerammalpuram, we prayed for missionaries. That day in the mid night rev. Packianathan woke me up and committed him as a missionary. He was doing ministry among the children in Tirunelveli and now God used him in Telugu state. Songs written by him in Telugu are sung in churches even today. When IMS was started, we wrote to the missionaries to find out the places near them where gospel has not reached yet. There was no use. CMS missionary in Kammaametti showed Manukottai taluk. Rev. Packianathan gave application to buy land there but he was told that Christians will not be given land. He returned very sad, and coming to know that the land of a Railway officer was available for sale, he got down there and he bought a land of 9.5 acres land and a dilapidated house there for Rs. 375/- thus, IMS was started in Dornakal. In Hyderabad kingdom, some European organizations worked for more than 50 years and had about 1000 believers. Now, completing 40 years through our organization 14, 000 people have come to Christ. It is not the ability of the missionaries or the help of the Government. God answered your prayers. He willed that He should be glorified in you. Therefore, continue to pray for missionary work.

(Summary of the message of Bishop V.S. Azariah in completion of 40 years of IMS ministry. Compiled from the extract from July 1943 magazine).

Special prayer for the first day of IMS 120th year

Almighty God, obeying your command, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost" Indian Missionary Society was started on a day as this 119 years and we praise you for IMS. You have blessed IMS ministry all these 119 years and gospel was preached for the redemption of souls, and till date in 25 states, 2 Union territories, and in the neighbouring country Nepal with 1880 missionaries. You hold them in your hands and makes use of them. We praise you O Lord. Help us to have the same thirst for souls that was with us when IMS was started. Help us O Lord that the churches built by us for Your glory, hostels, schools for the Adivasi children, hospitals, Rehabilitation centres function as testimony to Your holy name, and lead many into God's Kingdom. Bless all those who support IMS with their prayers and offerings. Lead with Your loving eyes all the bishops, clergy men, families in the churches, IMS branches prayer partners, sponsors, office bearers of various institutions, IMS office bearers, working committee members, voluntary leaders, missionaries, local missionaries, Promotional missionaries, and office missionaries. Remembering the starting day of IMS with gratitude, we depend on Your grace O Lord, as we enter into the 120th year, help us to pray for this great ministry You have entrusted in our hands that we pray for IMS incessantly, work eagerly, contribute generously. We pray through Jesus Christ who said, "... lo, I am with you alway, even unto the end of the world. Amen.

GOLD SOVEREIGN RS. 20/-

Are you amazed? In A.D. 1900s one sovereign gold was sold for Rs. 20/- and therefore, Rs. 100/- was Life membership fees. That means, Rs. 100/- was sacrificially given as Life membership fee. Have you become Life Prayer partner member? Have you made your children, grand children Life metmberprayer partners?

Special Life Prayer partner Rs. 500/- only.

My loving greetings in the matchless name of Jesus Christ to all the loving sisters of IMS family who support IMS ministry with your generous contributions, cheerful labour, earnest prayers.

This month we shall meditate on the life of Rachel in the Bible. Rachel means “female lamb”. This Rachel is the daughter of Laban, second wife of Jacob, mother of Joseph and Benjamin. Three things that we learn of Rachel are:

Do not be envious

We read in the Bible, “And when Rachel saw that she bare Jacob no children, Rachel envied her sister” (Gen. 30: 1) jealousy was seen in Rachel. We should not have this trait in us. About envy the Bible says, “A sound heart is the life of the flesh: but envy the rottenness of the bones”. (Prov. 14: 30) Also, Galatians 5: 19 – 21 lists 17 sins that prevent us from inheriting the Kingdom of God. One of them is envy. Dear sisters, “envy” the wicked sin harms the body

and prevents one from entering the Kingdom of God. Let us protect ourselves from the sin envy, by the grace of God.

Do not lose patience

Rachel was childless and so looked at Jacob and asked him, "Give me children, or else I die". (Gen. 30: 1) As Rachel was childless, she lost her patience and was angry with her husband. At that time Jacob angrily told her, "Am I in God's stead, who hath withheld from thee the fruit of the womb"? Yes, dearsisters, we will have no tribulations without the will of God. Tribulations are allowed in our lives that we come closer to God and become strengthened in faith. We should understand this. The Bible teaches us, "... patient in tribulation" (Rom. 12: 12) "In your patience possess ye your souls". (Luke 21: 19) If we lose patience in our tribulations it will reflect in our words and deeds. Thereby, we will lose the salvation of our soul. Therefore, we should be very careful. "Who comforts us in all our tribulation..." the Bible says (II Cor. 1: 4) therefore, let us learn to be patient in the comfort the Lord gives. At the right time God will deliver us from our tribulations and bless us.

Should have a mind of satisfaction

"And Laban went to shear his sheep: and Rachel had stolen the images that were her father's". Gen. 31: 19) God had blessed Jacob. Yet, Rachel wanted to have the images of her father's house. It is because they were guarding gods in her father's house. Therefore, she had taken them to remember her father's house and her ancestors. These images were of gold. Therefore, she had taken them as her father's property say the Bible scholars. Whatever be the reason, stealing them is wrong. God had given

her many blessings. She did not have satisfaction. The Bible says, "But godliness with contentment is great gain. (I Tim. 6: 6) Therefore, let us learn to be satisfied with the blessings God has given us.

Dear sisters, Online prayer is held every Tuesday from 10 P.M. to 11. 15 p.m. for women workers of IMS family for sponsors. I invite you kindly to participate in it without fail. Let us pray with one mind for the nation, ministries and receive God's blessings.

INTRODUCING THE MISSIONARY

**Bro. Philip
Sis. Mary**

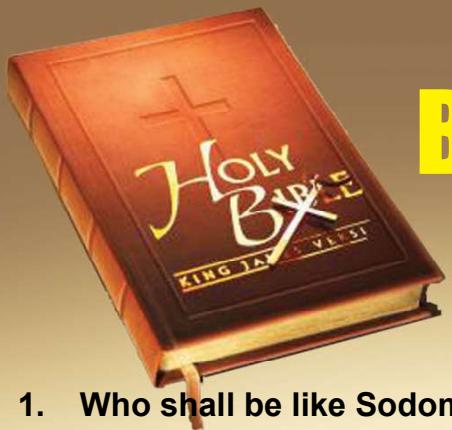

Born in a family not knowing Jesus and brought up zealously. Suddenly, I became very weak.

The doctors could not diagnose what the problem was. At this time a missionary staying in our village came to our house to pray for me. I spoke

unpleasant word to him and fought with him. But the missionary was quiet. Then I told him that no one should pray in this house. After two days weakness was increasing. I could not bear it and my parents brought that missionary to our house and he prayed for me. At that very minute I received a divine healing. Immediately, myself and my entire family accepted Jesus Christ as our personal Saviour. Then I studied in a Bible college. Now, myself with my wife Mary, daughters Ruth, Yasodha and sons Joseph, Rahul, Prathab I am doing ministry through Indian Missionary Society I am doing ministry in Soppadla mission field, Karnataka. Pray for our ministry and for us.

CORN OF WHEAT FALLEN ON THE GROUND

Mr. Mathiazhagan Moses

Bro. Mathiazhagan Moses was born on April 7th 1973 in a family not knowing the Lord, in the village Chinnakaundanur of Erode district. He lost his mother in a very young age and was leading a life distressed life. A pastor gave him the gospel of the love of Jesus. Therefore he accepted the Lord as his personal Saviour and after his graduation he committed himself to serve the Lord and joining the pastor of his church he was doing ministry. Receiving the exclusive call that he should preach the gospel to the people scattered in forests and mountains he joined the Indian Missionary Society in 1994. He did ministry in Korchi, Pentry and Murunghav

mission centres among the people groups Gond, Urav Adivasi people. When he was doing ministry in Pentry mission field he married IMS missionary Rosy Sathyavathy God blessed them with Christianand, a son and Christy Steffie a daughter. The elder son was doing Std. I in Dhonavur Santhosh Vidhyalaya. Daughter 1 $\frac{1}{2}$ years old was with them. They were doing ministry in Vakkadi mission field, Gujarat. At that time, opponents to the gospel work in the village Gothrej threatened him and warned him many times. At this juncture, on 17. 06. 2005 Mathiazhagan with his wife and two local evangelists and a son of another local evangelist were returning in IMS vehicle (Auto) to the mission field. Reaching near the village Gothrej their vehicle dashed against another vehicle and met with an accident. In this accident both the local evangelists, Mathiazhagan Moses, his daughter and the son

of a local evangelist lost their lives. Missionary's wife alone was escaped with severe injuries.

The body of Mathiazhagan Moses, who died a martyr's death was brought to Chennai by plane. His wife also, was brought to the aerodram. Unable to get down from the vehicle she could not even cry seeing the two dead bodies because of her wounds on the face, made every heart melt. From there, the body was taken to his native place Chinnakaundanoor and with the hope of resurrection, was sown in the soil. The life of Mathiazhagan Moses who was born in a family that did not know the love of Christ came to know of the love of Jesus and gave his life for the one who gave His life for him is a challenge.

Let us do what we can to proclaim the message of salvation of savior who gave His life for us.
